TWO SALOONS MUST GO OUT OF BUSINESS

Council Draws Strict Lines On Conduct of Places Where Liquors Are Sold.

All of the Trustees were present at the regular meeting of the City Council Monday evening which was an unusually long one, although but few items of business were disposed of. One of the chief matters which occupied the time of the session was the annual review of the conduct of the saloons, incident to the granting of permits for the renewal of licenses. The result of this made it plainly evident that men in the saloon business must, if in the future they would make secure the favor of the city authorities, be strictly on their good behavior.

The usual monthly reports of the city officers were presented and approved. The report of City Treasurer Towne shows the receipts for the month to have been as follows: Water collections, $832.93; licenses, $2.00; dog taxes, $6.00; water connections, $32.50; sewer connections, $10.00. The expenditures from the general fund amounted to a total of $2477.75, leaving a balance of $9.357.78. In the library fund $127.60 was paid out, leaving $1165.93 on hand.

The contract for sprinkling and sweeping the streets for the next year was awarded to J. D. Smith, whose bid was $47 per month for sweeping, and $7.70 per day for sprinkling. The other bids submitted were as follows:

G. J. Liguori—$65 per month, $9 per day.

F. E. George—$75 per month, $10 per day.

John M. Junho—$ 70 per month for sweeping, and $17.50 per month for sprinkling by means of a water-container attached to the street-sweeper.

Clerk Plump next presented the applications from the proprietors of the saloons of the city asking for permits for the renewal of their licenses, and then came one of the strenuous times of the evening. For a time all was clear sailing and as each application was presented Trustee Sampson, chairman of the committee on public health and morals, presented a favorable report and moved that the applicatian be granted. When the applications of Long & Green and Lou Brout were reached things were different. To both of these Trustee Sampson made an unfavorable report and moved that they be denied. Brout and Long we present and both made strong pleas against drastic action and asked that they be given an opportunity to answer objections that might have been made. This plea found favor with Trustee Hynding who suggested that action be deferred, suggesting that the saloon business was a difficult one to conduct and that at times it was almost impossible to forsee or prevent minor infractions. While Trustee Sampson made no objection to delay he expressed the opinion that no change would result, stating that the committee had given the matter careful investigation and arrived at a unanimous conclusion. The motion to reject the applications was renewed and carried by a vote of all othe Trustees except Hynding. As a closing of the incident, Trustee Sampson made the caution to all holders of licenses that it was the intention to insist that their business must be conducted is strict regard for the law.

Following a custom which has been in vogue for a number of years, all the saloons were given permission to keep open all night on the Fourth of July without the usual special license.

J. Williamson presented an application for a license for a new saloon in the Offermann building at the corner of Main and Phelps streets. As notice of the application had not been properly given the application was laid over.

The ordinance creating the Board of Health was adopted. Following the adoption of the ordinance Drs. J. L. Ross, H. W. Taggart and A. M. Taylor and Trustees Sampson and Beeger were elected as members of the Board of Health.

When the ordiance providing for the general license came up for final consideration it was evident that it did not entirely meet the approval of the business men. On behalf of the Board of Trade, President D. R. Stafford and H. C. Tuchsen of the exectuive committee entered strong protest against many of its provisions which it is claimed would be unjust in their operation. With a view to harmonizing conflicting opinions the matter was finally laid over to an adjourned session to be held next Thursday evening, when the question will be fully discussed.

Considerable time was devoted to an investigation and discussion of water meters, samples of which were presented by representatives of the National and Neptune manufacturing companies. As a practical test samples of each will be installed on trial.

The request of Hess, McGarvey and Kreiss and of T. C. Rice for acceptance of certain improvements completed in District 13 were carried over under the rules.

C. A. Hooper & Co., presented a map of Subdivision 1, Eagle Hill villa tract, lying between Jefferson avenue southerly to Vera avenue, and from Davis street to the easterly boundary, thence westerly toward the foothills. Acceptance of the streets named was thereon requested. The application went over under the rules.

The clerk was instructed to invite bids for macadamising and oiling portion of Arguello street, and Mound street from the railroad to Five Points

It was decided that the town would provide for the suitable decoration of the town hall, the engine houses and the fire apparatus in ample time for the coming celebration

Will Have Unique Float.

One of the most interesting floats in the Fourth of July parade will be an airship contributed by John Raynal, the laundry proprietor, representing "Progress". The ship which will be fully rigged and 16 feet wide by 24 feet in length will be an excellent copy of Paulhan's bi-plane. It will be gorgeously decorated and will have for its passengers, two little girls and Mr. Raynal. The maching will be mounted on wheels.

South City is reaching out for her share of the prize fight graft. At the last meeting of the Town Council Trustee Healy introduced an ordinance to license "sparring exhibitions," as a matter of course taking care to utilize the stereotyped method of evading the law by providing that there must be a limit announced to the number of intended rounds. The license rate is fixed at $1200 a year. Well probably the $1200 is of more importance in the eyes of the Trustees than the moral effect to the community. Report has it that this is a movement in favor of Jim Coffroth, intended to forestall any attempt on the part of the Supervisors to drive the fight arena out of San Mateo County.

REMINISCENSES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

At the presidential election of November 5th, 1872, which resulted in giving President Grant his second term in the White House, a total of 955 votes were cast, the Republican majority being 345. At the same election Hon. S. O. Houghton, of San Jose, was elected Congressman from this district, the county giving him about the same vote as Grant.

On Sunday November 10, 1872, the Methodistl Church at Halfmoon Bay, which had been building for some time was dedicated. Special services were held both morning and evening, the sermon in the morning being preached by Rev. H. C. Benson, of San Francisco, and the evening service being conducted by Rev. A. S. Gibbons, then president of the University of the Pacific, at San Jose. At both services there were very large congregations, and collections of something over $300 were taken up toward extinguishing the debt on the building which amounted to $1500. The new church was a handsome and substantial structure and was completely furnished, and much credit for the securing of the new building was given to Rev. J. W. Bluett, who at the time was the pastor of the congregation.

Apparently girls were the fashion in the birth line during the month of November, as witness the following announcements: In Redwood City, November 4th to the wife of Charles Woodworth, a daughter; near Belmont, November 10th, to the wife of W. W. Hull, a daughter; in Redwood City, November 8, to the wife of B. F. Cooper a daughter

After a short experience with the shoe maunfacturing business in Redwood City Mason and Co. found that they could not make a profit from the business and were compelled to close the factory in the early part of November. The factory was allowed to remain idle but a very short time, when local capital was induced to take hold of the new enterprise. Two weeks after the place was closed, the building and machinery was transferred to W. Frisbie, who had been foreman of the place under the old management, and Dr. S. S. Merrill, under the firm name of Frisbie and Company, and work was resumed, a large number of orders for the produce having been secured.

During the latter part of the year 1872 citizens of this city began to realize the business necessity of one short and direct public road to a point to Redwood Creek where water sufficiently deep to accommodate the shipping of the town could be relied upon at all stages of the tide. Aggitation of this question cristalized with the close of the month of December, and resulted in the issuance by Chairman Teague of the Board of Town Trustees of a call for a mass meeting to be held on the evening of December 30th at Kuck's Hall to devise ways and means for the opening of Main street to deep water. This meeting was largely attended by the business men of the town, all of whom appeared to be enthusiastically in favor of the project. An organization looking to the pushing of the work was formed and a committee composed of T. W Lathrop, W. W Armstrong, Joseph Snow, J. Hilton and William T. Holder was appointed to investigate the questions of cost of the road, its best route and the sentiment of the people on the matter of securing the needed funds by taxation. Mr. Holder started the ball rolling by an offer to donate the right of way, while Judge Templeton volunteered to be one of five citizens who would become endorsers of a note given by the town to raise the money pending the levying and collection of the tax. After a number of enthusiatic speeches the meeting adjourned for a week to allow the committee time for its work. At the second meeting there was a larger and even more enthusiastic meeting than the first. The committee reported that "after a temporary survey of the proposed road to 'Steinberger Creek' we find a good practicable route, with an average fill of 21 incehs. The cost of a road 3030 feet in length and 25 feet in width, with a wharf 100 feet square, we estimate at $11,000." Mr. Holder stated again that he was ready to donate a right of way 80 feet wide. After more discussion another adjournment was taken for two weeks and the same committee was instructed to make further investigation and to determine the possibility of securing regular and direct communication with San Francisco by steamer should the road be opened. At the third meeting some good progress was made, but nothing definite was determined upon and for a time the matter lagged.

The Eagles will give a grand ball ball at the Alhambra on the night of July 2d.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Jas. T. O'Keefe was unanimously indorsed for the nomination for District Attorney by the Vista Grande Republican Club last Wednesday evening. This organization has a big membership and works for the success of the candidate it indorses.

Teach the Young Idea How to Shoot.

Parents should make it a special point during the next week to impress upon children of all ages the necessity for extreme caution in the use of fireworks. At the best these are dangerous playthings and the least carelessness may lead to serious results. Not alone is there danger of injury to themselves, but there is also the serious public risk of fire.

The Trustees have wisely taken precautions to minimize these dangers. Marshal Coleman hase been given authority to appoint a number of special deputies for the Fourth. It will be a part of their business to watch for any carelessness in this regard and if necessary resort to harsh measures to check it.

There is no excuse for throwing firecrackers among groups of people, where there is danger of injury. There is also no excuse for throwing these explosives into open doorways or windows, where they may be the means of causing fires.

Put Your House In Order.

Clean up should be the order of the day during the next week in this city. This is essential both from a point of civic pride and as a means of private protection. Not only should the city be given its best possible appearance during the time of the big celebration when there will be a large number of visitors attracted to our midst that they may leave with memories of the best possible impression, but it is important that every possible precaution be taken to prevent the possibility of fires which may entail serious individual as well as public loss.

Not only should the dry grass which encumbers too many of our streets, rendering them unsightly and giving the impression of lack of thrift, be removed, but every class of inflamable material should be removed from the rear yards as well as from vacant lots. In spite of the best of care there is always extreme danger of fires from the inevitable use of fire crackers during the celebration of the National Holiday. The only means of reducing this danger is to remove inflamable material. Every thing of this nature should be collected during the next week and either burned or otherwise disposed of. This is a matter of the utmost importance to every citizen and should not be neglected.

Funeral of George Klocksen.

George Klocksen, an esteemed resident for the past fifteen years, passed away at his home on Fuller street Monday after a painful illness of several weeks. The deceased was a native of Germany, aged 68 years. Before coming to this city he had resided many years in Fort Scott, Kansas, where he was married to Miss Mary Stephenson, the daughter of a prominent family. His popularity was shown in that city by his election as a member of the city council and the school board. The family came to Redwood in 1895 and since that time Mr. Klocksen has been employed by the Tacoma Mill Company. He is survived by his wife and two grown children—Henry G. Klocksen of Palo Alto and Mary A. Lorton, residing here. The funeral which took place yesterday was attended by many friends. The burial was under the auspices of the Odd Fellows and the Rebekahs, large delegations of both of those organizations being present and accompanying the body to Cypress Lawn cemetery.

Democrats Name Candidates.

The democrats held a convention in this city Saturday and named the following candidates, P. H. McEvoy acting as chairman.

For the assembly, John F. Davis of Burlingame and Jos. Debenedetti of Halfmoon Bay.

Sheriff, P. H. McEvoy.

Tax-Collector, H F Butts,

Auditor, Geo. E. Breaw.

District Attorney, Archer Kincaid and A. Mansfield.

Recorder, J. J. McGrath.

Supervisor, 2d Township, W. H Brown, M. J. Conway and N. J. McNamara.

Justice of the Peace, 2d Township, J. A. McCormick.

The local boys played the Barney Frankels last Sunday and came out victorious, notwithstanding the fact, that the local team was somewhat broken up, several of the best players being absent. The Barney Frankels on the other hand had strengthened their team considerably by putting in a state league pitcher. Nevertheless our boys got ten hits, the Frankels getting but five. Goldie, who has been engaged to play with the local nine, was in the box, Fox being absent. Goldie had proven himself a good short-stop Sunday before, and proved his ability as a twirler last Sunday. Next Sunday the locals will cross bats with the Menlo Park team.

29th with Mrs. W. J. Sweeney. At the last meeting, which was held at the residence of Mrs. A. J. Spring, the first prizes were won by Mrs. Antone Sutra and T. J. Reese.

The last meeting of the Vista Grande Republican Club was addressed by a number of the county candidates, among them being Jas. T. O'Keefe, candidate for District Attorney; Joe Nash, candidate for County Clerk; Dr. H. G. Plymire, candidate for coroner, and Henry Ward Brown, candidate for Assemblyman.

By a practically unanimous vote the people of this district have decided in favor of a district fire tax. This means the immediate equipment of the three fire companies of the district.

Belmont Correspondence.

BELMONT, June 24.—A syndicate of prominent capitalists and physicians has been formed to purchase the old C. R Splivalo place in the foothills near here for the purpose of turning it into a rest sanatorium.

The negotiations which have been carried on for a number of weeks, were completed a few days ago with the filing of deeds for record in Redwood City. The corporation, with a capitalization of $150,000, became the owner of the Splivalo country home and its guest cottages, forty-three acres of the estate and the water rights, at a price placed at $55,000. Among those interested in the company, which will be known as the California Sanatorium, are George Cameron, Wellington Gregg, Eugene de Sabla, Dr. Max Rothschild, Dr. Walker, William Gerstle, W. Leahy and Stanley Jackson. Rothschild, Walker and Jackson will fill the offices of president, treasurer and secretary respectively.

About fifty of the most prominent men in the medical profession are also interested in the sanatorium, which it is planned to open for businesss on July 1st.

On Thursday evening the eighth grade class of the Belmont public school was entertained by their teacher, Miss A. L. From La Honda.

Saturday evening, June 20, 1910, Mr. and Miss Lyon entertained their friends at a barn dance at "OakView", their lovely country home at LaHonda The evening was an ideal one with its bright moon light and warm breeze. Within the spacious barn was a bower of beautiful evergreens and ferns, illuminated with the soft light of many Japanese lanterns.

The affair was delightfully informal, dancing being alternated with music. At midnight a delicious repast was served, after which dancing was resumed.

With the visit last week of County Superintendent of Schools Roy W. Cloud and his conference with the trustees the differences have been explained and the amended plans approved. Following the approval of the plans contractor McMillan has started work for the new building.

PRESS ASSOCIATION OUTING

Newspaper Writers See Much of Resources of the State

The annual excursion of the California Press Association was attended this year by forty interior editors and their wives. The party left San Francisco on the morning of June 9th for Lake Tahoe, travelling up the Sacramento River to the State Capital on the Southern Pacific Companys new steamer "Navajo" This boat is fitted with all the modern comforts of a river steamer, and from her decks the Editors were all day entertained with views of the beautiful scenery which abounds on both sides of the river.

The party was met at Benicia by Captain Anderson and Colonel John P. Irish of the Sacramento Valley Development Association which is now promoting the stupendous plan of river improvement adopted by the last legislature. Colonel Irish and Captain Anderson explained to the editors the leading features of the plan adopted by the engineers for relieving the floods which almost every year afflict the Sacramento Valley in thhe vicinity of the State Capital. The work first to be done is to widen the river at a place below Grand Island at a cost of something like half a million dollars.

Colonel Irish stated that when the plans for river improvement were finally carried out under the joint appropriation of Congress and the State legislature a small empire capable of feeding millions of people would be protected from all further destructive floods.

The editors led by President F. W. Richardson of the "Berkeley Gagette" and Secretary O. A. King of the "Benicia Herald" after a day on the river that will be long remembered arrived at Sacramento at six thirty p. m. The night was spent at the Hotel Sacramento, a new reinforced concrete structure at Tenth and K streets. This hotel is one of the finest in the State and among other luxuries sports a roof garden. On Monday June 13th, they were taken around the lake on the beautiful little steamer of the Lake Tahoe Railway Company and visited Mt. Tallac and Glenbrook. The evenings were spent in reading papers, making speeches and debating interesting subjects. On one of these occasions Geo. D. The school will open on September 6th. On Thursday the madames of Sacred Heart Convent entertained the pupils at the convent. The little ones enjoyed the occasion very much. The kind sisters provided a nice lunch for them and arranged games and other amusements.

Art laurels have again been placed on the brow of a Menlo Park man, this time in the person of Adolph Berson, son of Gustave Berson, of Palo Alto, and a cousin of Amadee Joullin, whose work is widely known, Not onlyy is his latest work, "Moonlight in Venice," the furor of Paris and the salon, but the jury has decided that his work is "hors conquers" which assures him the privilege of exhibiting at all future salons without awaiting the verdict of the salon jury. Young Berson has been studying for a number of years in Paris and has struggled to the top by earnest and conscientious endeavor. The art chitics in theFrench capital are loud in their praise of his accomplishments, the press devoting much space to his noteworthy endeavors. Berson spent his boyhood here having graduated from the grammar school. His father at one time owned the property where Walter Linforth resides.

The Menlo Park nine will go to Redwood City tomorrow to play the Redwood City nine that has heretofore been invincible. The local aggregation will try to wrest the laurels from their opponents. Several new players have been added to the team among who are the Lacey Brothers, two crack players. An imported battery has been engaged for the occasion.

W.P.Glynn,cashier of the Hibernia Bank of San Francisco, who with his family occupied the Fitzgerald cottage on Oak Grove avenue last winter, will move down from the city on the first of the month to take the Fitzgerald residence opposite the depot recently vacated by Mr. Ahearn. The people of Menlo Park are delighted to learn that Mr. Glynn and family are coming back to live here. Mrs. Glynn is an accomplished musician, who has given her talent on several occasions to the social affairs of the village.

The Ravenswood Investment Company has the excavation completed for its big natatorium, and the work of laying the concrete was to have begun today, but the labor difficulties have delayed matters.

The swimming tank is to be 100 feet long by 40 feet wide and the depth of water will be nine feet at one end and two feet at the other. The place will be provided with a big slide, springboards and all the conveniences of a modern natatorium. Along the sides the dressing rooms will be arranged.

SUPERVISORS MEETING

County Board Disposes of Business Before Regular Session.

The board of Supervisors met last Monday in the new courthouse. The luxurious surroundings were in striking contrast to the old supervisor room in the kindergarten building just vacated.

All the members were present.

The clerk read a communication from W. J. Sloane & Co. saying that it would be necessary to make some changes in the transome of the court house buildiing that would cause additional sum of $29 to the price quoted the chairman. The matter was explained fully by McEvoy and the communication was accepted.

A communication was read from the United Railroads informing the board that the company was unable to ascertain in what particular in the first township its road was encroaching on the public's rights.

Surveyor Neuman thought it was on the hill near the county line not far from Colma. The supervisor of the first township was given further time to look into the matter.

Auditor Underhill sent a communication to the board to the effect that it would be necessary, in order to pay the claim of the J. J. O'Brien Co. for $40,000, allowed at the last meeting, to transfer to the Courthouse fund from the General fund $22,838.52, there being a balance of only $17,161.48 in the Courthouse fund.

A resolution was adopted making the transfer suggested by the Auditor.

McEvoy was authorized to lease a small strip of land at Menlo Park at a rental of $5 a year for the purpose of maintaining a tank for the storage of oil.

The report of the Auditor was again laid over for correction.

District Attorney Bullock, to whom had been referred the matter of the Easton franchise, stated that the point raised by Mr. Hubbard at the last meeting to the effect that such a franchise could not be sold within three months previous to, or following a general election, and that the primary election is a general election, was well taken. He was of the same opinion and would advise the board to refrain from selling the franchise until the question had been passed upon by the courts.

Hall C. Ross, representing the applicant for the franchise, Ansel M. Easton, asked that the matter be postponed until after the primary election in August. If it were determined by the courts that a primary election was not a general election the sale could be made without interfering with the November election. Mr. Ross could not see what disaster would occur by the delay. He intimated that all parties might come together in the meantime and adjust their differences.

Mr. Hubbard, the attorney for the Easton residents who are protesting against the granting of the franchise in its present form, advised that the board rescind what action had been taken, permitting Mr. Easton to make a new application which would not be objected to by the people.

The board was also addressed by Wm. Elvered and A. F. Hess, both of whom asked the board to recall its action inadvertising the franchise for sale.

After considerable discussion the board by the adoption of a resolution rescinded its former action and set aside all proceedings looking towards the sale of theEaston franchise.

Mrs. H. Davis of Colma was allowed $8 per month for her self and $6 for each of her children.

The acceptance of the Hillcrest map was again deferred to the next meeting.

The application of W. L. McKay for a class B liquor license in the First township was continued until July 5th.

Blackburn nominated George W. Hall of San Mateo and Miss Leighton

THE BIRDS WILL CELEBRATE

Local Aerie of Order of Eagles Will Hand Out Bunch of Fun.

To give a whooping start to our Grand 4th of July Celebration the Screech of the Eagle will be the signal that the Ball has started rolling. On the eve of the gayety Carnival time that Redwood will ever see, the Redwood City Aerie of Eagles will give a grand ball, July 2d. As the Eagle is the National emblem of freedom, equality and strength so the Human "Eagles" stand for freedom, equality and a little pleasure mixed into their lives, just to drive away the monotony of dull care, once in a while, and especially on the 2d of July, 1910.

So let's get started right on the commencement of our little time this 4th. Come to the Eagles dance. Take the folks along and give them a good time. Put on a broad smile and don't wipe it off till the morning of the 5th. The music will make you dance, whether you feel like it or not. Huff's Tapioca band will do the honors, and the way those boys can tear off rag time. Why, you can't keep your feet from twitching.

The brave soldiers of Governor Gillett's National Guard will be there a hundred strong. Look out for those brass buttons, girls. We'll dance all night, till broad daylight,and go home with the Owls in the morning.

LET 'ER GO.

The board of Education are busy correcting the papers of the eighth grade pupils who took the examination The result of the examination will not be known until this afternoon.

PASSING OF ANOTHER PROMINENT CITIZEN

Tax Collector C. L. McCracken Answers Final Call of the Grim Destroyer.

This community suffered a severe shock yesterday afternoon when it became known that Tax Collector C. L. McCracken had breathed his last He had been confined to his home for the past week but his relatives and friends thought he would recover. His death was a great surprise. Dr. McCracken had been ailing more or less for the past year with heart trouble, which ailment was the immediate cause of his death. Last spring he spent six weeks in a San Francisco hospital and afterwards spent some time at Paso Robles Springs. He has been suffering more or less since that time.

Dr. McCracken was one of the best known and best loved of the county officials. His gentle traits of character had endeared him to all.

Deceased was born about 50 years ago near Toronto, Canada. He entered college at an early age and graduated from the University of Toronto, receiving his degree as doctor of medicine. He took a postgraduate course at a London Hospital. He was a highly educated man and a surgeon of skill and ability.

Dr. McCracken began the practice of his profession in Canada, but afterwards came toO akland where he soon built up a lucrative clientage. About twenty years ago he came to Pescadero and at once launched in to a big practice. He was very successful having patients for miles around. In 1902 he was elected supervisor of the fifth township and made a splendid official. When the late lamented Tax Collector Frank M. Granger died in 1905 Dr. McCracken was appointed by his fellow members on the board of supervisors to fill the vacancy He moved from Pescadero and took up his residence in this city and has resided here ever since. At the election in 1906 he was elected on the Republican ticket as Tax Collector by a large majority and was a candidate for the same office.

It is the general concensus of opinion that Dr. McCracken made the best tax collector the county has ever had. He was genial, obliging, pains taking and accurate and courteous to a fault. The expert of the last grand jury spoke of him as the most careful and accurate tax collector in the state.

His death will not only be a severe loss to his relatives but to the county as well for it will be difficult to secure a man of his ability to conduct the tax collector's office.

Deceased leaves a young son, a high school student, and a wife to mourn his loss.

No arrangements have yet been made for the funeral. The doctor was a prominent mason and he will be buried under the auspices of Redwood City Lodge.

Knights Enjoy Prilgrimage.

The second annual pilgrimage of San Mateo Council, Knights of Columbus, to Redwood City last Sunday was a gala event. The knights and their friends arrived on the 9:45 knights formed in line and marched through town. The beautiful new flag at the courthouse was thrown to the breezes for the first time and as the knights passed 'neath its folds they reverentlyy doffed their hats. Father Sullivan had arranged for special services at Mount Carmel church for the visitors at 10:30. Father McGee of Portland was celebrant. Father Kunkel of the seminary as deacon, Father Myers as sub-deacon and Father Sullivan as master of ceremonies. The sermon was preached by Father Myers. The choristers were as follows: Miss Bernhart and Mrs. Holden, sopranos; Mrs. Hanson, alto; Mr. Carrington, tenor; Mr. MacBain, base. Organist, Mrs. Brennan. Miss Edna Zimmerman sweetly sang the "Ava Maria."

After the mass the knights and their friends went to Dingee Park where the ladies of Mount Carmel Church had prepared a tempting luncheon for them. After the repast J. B Kelly introduced Grand Deputy Edward White of Watsonville. He delivered an eloquent address on the spiritual advantages of the society. Other speakers were Father Sullivan, J. J. O'Toole, Thomas Branson, Grand Knight Radford and J. J. Hahir.

The knights afterwards witnessed a game of baseball between the Redwood City nine and the Barney Franckels of San Francisco. After the contest a game was played by two nines from the ranks of the knights. It was a spirited contest but ended rather disasterously John Shields, of San Mateo, had his leg broken in colliding with a base runner. He will be laid up for some weeks.

SCHOOL CHILDREN RECEIVE PRESENT

Womens Relief Corps Tenders Portrait of Abraham Lincoln to Fourth Grade Pupils

The cloing exercises at the grammar school Friday were well attended by a large gathering of parents and friends of the pupils and the exercises were greatly enjoyed. The pupils of the lower grades who predominated on the program proved themselves well drilled in their songs, recitations and drill movements and were given generous applause. The choruses led by Miss Bernhart, in which all of the pupils joined were also an enjoyable feature of the program.

Mrs. Caroline Heiner, Patriotic Instructor of the Women's Relief Corps, presented a picture of Lincoln to the fourth grade for best attendance in the Memorial-day parade. Her remarks were as follows:

Teachers and pupils of Redwood City Public School: The W. R. C. of the G. A. R. have the honor and pleasure of presenting this, the picture of Abraham Lincoln to you. One object of the W. R. C. is to promote patriotism, when we, on Memorial day, march to the cemetery to decorate the graves of our departed comrades, the old veterans of the Civil War, we like to see everybody take part, and we love to see the children marching with us, and as a token of thanks to them we give this in the keeping of the fourth grade for giving the largest attendance on that occasion. You children are all familiar, more or less, with the history of Lincoln, but read more about him and you will find how kindhearted he was, how patriotic and honest, a good example to follow. I am sure that you children in later life will remember as one of the prettiest event of your childhood and school days the part you took in the exercises of Memorial day.

Mr. Benson responded on behalf of the class and accepted the gift with thanks.

RESULTS THAT REMAIN

Are Appreciated by Redwood City People.

Thousands who suffer from backache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one special kidney medicine that cures permanently and there is planty of proof right here in Redwood City.

Here is the testimony of one who used Doan's Kidney Pills years ago, and now states that the cure was lasting.

Fred Haussler, 101 Stambaugh street, Redwood City, Cal, says: "My kidneys were badly disordered and the secretions from these organs were unnatural. Knowing that difficulties of this kind often resulted seriously if allowed to go unchecked, I was anxious to get relief. Seeing Doan's Kidney Pills highly recommended, I got a box at P. A. Ryan's drug store and their use completely removed the symptoms of my trouble. In July 1907, I publicly testified in favor of Doan's Kidney Pills and at this time I gladly confirm that statement. During the past two years, I have been free from kidney complaint. This fact justifies my speaking more highly than ever of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Assessor's Instructions

To Owners of Real Estate and Personal Property

The law requires each and every person who owns any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where the property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

If you hold mortgages against others send in a mortgage statement showing amount due on each mortgage on the first Monday in March at 12 o'clock m.

No change can be made by the Assessor after he turns his books over to the Board of Supervisors on the first Monday in July. The Board then sets as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor, as well as to yourself, to have your assessment correct when you go to pay your taxes.
